

# Home Safe

- Stay alert and aware of your surroundings.
- Avoid chatting on your mobile phone or listening to music on your headphones, as this can distract you from your surroundings or any potential danger signs.
- Think about getting a personal safety alarm. Keep it in an easily accessible place and carry it in your hand if you feel at risk.
- Consider downloading the Hollie Guard App to provide you with a level of protection.

**Travelling by public transport** - try to sit in a well-lit, busy area. Don't be afraid of moving should someone's behaviour cause you concern. Always trust your instincts.

## Bus travel

Sit on the lower deck as this is closer to the exit and within sight of the bus driver should there be a problem.

## Train travel

Try to sit in a busy carriage. Call British Transport Police on 61016 to seek assistance or report incidents.

## Taxis

Only use licensed cabs. Ensure the driver is wearing their taxi driver's badge. Check the meter is running before you set off.

## Private hire

Always pre-book and make sure you are entering the correct vehicle. Don't be tempted to get into an unlicensed cab.
